

Dear Edmonson County Chamber Member:

Did you know that death rates from life-threatening injuries are three times as high in rural areas than in urban settings? During a medical emergency, *time* saved can mean a *life* saved.

As your local air ambulance, serving residents of Edmonson County from our base at the Bowling Green Airport, Air Evac Lifeteam understands the critical aspect of *time* in treating medical emergencies. For those of us living in rural America, our recovery can depend on how much time it takes to be transported to an emergency room. Air Evac Lifeteam can cut that transportation time *in half*.

Annual Discount Membership Fees: Edmonson Chamber Members

Ronda Birchell is the area coordinator for Air Evac Lifeteam. You may call her for questions. She will bring you a membership to complete or you may pick one up at the chamber office; complete the form with payment, and your membership is activated immediately.

An Air Evac Lifeteam membership not only gives you access to life-saving care, but also offers significant money-saving benefits. An emergency helicopter flight to a definitive care hospital can cost as much as \$18,000. In the event you are flown by Air Evac Lifeteam for a life-or limb-threatening emergency, we will work with your benefits provider to secure payment for your flight. Whatever your benefits provider pays **WILL BE CONSIDERED PAYMENT IN FULL**—no matter how many times a year you use our service—and even if you have no insurance. With membership, you get **NO bill!** Furthermore, your membership is valid in all Air Evac Lifeteam service areas.

Air Evac Lifeteam's mission is to make it possible for people living in the area to get the life-saving emergency care they need, *when* they need it. Thanks to the support of our members, Air Evac Lifeteam can provide this vital service to your communities...while providing *you* peace of mind for you and your family.

Sincerely,
Ronda Birchell
